ICVR is an international conference series that provides an in-depth presentation of novel technologies and clinical developments in the field of virtual reality and associated topics applied to rehabilitation. Researchers, clinicians, and technology experts meet, share experiences, and plan for the future. We invite submissions for papers, posters, demonstrations and workshops related to:

- Motor, sensory and/or cognitive rehabilitation
- Clinical diagnostic and assessment tools
- Psychological and environmental rehabilitation
- Knowledge translation
- Regulatory, educational, sociological, demographic, legal aspects of VR
- Tele-rehabilitation
- Gaming / low cost systems
- Brain computer interfaces
- Haptic interfaces and Robotics

## Timelines

Paper, Poster and Workshop submission deadline	January 13, 2019
Notification of the review decision	March 30, 2019
Final camera-ready paper due and deadline for registration of at least one author	April 30, 2019

## Paper Format Guidelines

- Papers should describe original and unpublished work with substantial results or novel methods or techniques.
- Papers should be 6-8 pages, double column, formatted according to IEEE conference proceedings template (see below). The 8-page maximum limit includes images, figures, tables and references. All papers must include the title, an abstract, keywords, author's names, affiliations, postal & e-mail addresses and contact author for the paper.
- Submissions not accepted as papers will be considered as a poster & must adhere to poster format guidelines.

## Poster Format Guidelines

Posters should describe original, unpublished work, or describe work in progress. Poster abstracts should be 1-2 pages, double column, formatted according to IEEE poster template (see below). The page limit includes images, figures, tables and references. All posters should also include the title, an abstract, author's names, affiliations, postal & e-mail addresses and contact author for the paper.

## Submission Guidelines

- Authors must use the IEEE conference proceedings format obtainable at: <https://www.ieee.org/conferences/publishing/templates.html>
- Submission will be via the conference web site: [www.virtual-rehab.org/2019](http://www.virtual-rehab.org/2019)

## Publication(s)

Proceedings will be distributed at the conference on a flash drive; published papers and posters will become part of the IEEE Online Library, carrying the IEEE © notice, provided that at least one author has registered for the conference by April 30, 2019. We aim to organize one or more special issues in relevant journal (s).

## Workshop submissions

- Workshop sessions (either 3 or 6 hours) will be held on July 22, 2019.
- Proposals for workshops should be submitted (in pdf format) via email to [icvr2019workshops@gmail.com](mailto:icvr2019workshops@gmail.com)
- Include title, names and contact info of the workshop organizer(s), name and short bio for each workshop presenter, description of intended participants, description of workshop goals, and format and timeline of the workshop content.
